

Study abroad  
without worries  
with COVID-19  
insurance!

## Travel insurance for students at the Czech University of Life Sciences Prague

### Who is the insurance for

- students who travel abroad for short-term and long-term study stays (Erasmus, CEEPUS, etc.)

### What are the main benefits

- insurance tailored for students
- optimal coverage from medical insurance incl. COVID-19 up to Security Assistance
  - when you fall ill with COVID-19 (i.e. a positive test), medical expenses, hospitalization and quarantine are covered
  - in case of preventive quarantine (i.e. a negative test) substitute accommodation and transport back to CR are covered
- newly with **optional additional professional liability insurance** for situations when you cause damage during your study stay abroad (if you break a borrowed machine, damage the lab equipment, etc.)
- saves time and makes it easier for you to get the right insurance
- mobile app with your insurance policy
- guarantees an excellent care abroad whenever you need it

### What to do to arrange the insurance

- go to <https://secure.ervpojistovna.cz/mybti> and log in using credentials from the CZU Prague website/insurance section
- arrange your insurance **fully online**
- pay the premium in the due amount (card payment is recommended) and **always prior to your departure**
- **read** the Policy Conditions **PP-BTI-2203** governing your insurance **before travelling abroad**
- do not forget to download the **MojeEvropská mobile app** and register your policy

### What to do in case of trouble abroad

- in any life-threatening situation contact the local emergency services
- in any other emergency situations contact our Euro-Center assistance services
- we recommend you to pay the cost of minor treatment in cash, we will reimburse your bills after your return home
- please report your claims online via [ERVpojistovna.cz/hlaseni-skod](https://ERVpojistovna.cz/hlaseni-skod)
